Please explain:

1. What talents and skills do you have that are relevant to the master's programme? (Max. 250 words)

Please describe your talents and skills that are relevant to the programme. Where do these become evident? For example through awards, projects, grants, scholarships, or other academic or professional achievements.

2. What is the social added value of your practice? *(Max. 250 words)*

Please reflect on the societal added value of your practice by addressing the following points:

- What is your added value for the programme, and how does this contribute to the quality of the international classroom?
- How might the Netherlands and/or the Dutch labour market benefit from your knowledge, expertise, or network in the future?
- What do you plan to do during your studies to strengthen your connection with the Netherlands? For example: learning Dutch, building a professional or social network, working in the Netherlands after graduation, or participating in events organised by HKU, Nuffic, or related organisations.

3. Your financial plan to cover the remaining costs of your study at HKU (Max. 250 words)

Please outline how you plan to cover the remaining costs of your studies at HKU, for example through personal funds, family contributions, scholarships, and/or study loan programmes.

Additional to the NL Scholarship, you must still provide your own funds to cover the remaining costs of your studies at HKU. That is why we ask you to describe how you are planning to pay for your stay. Note: you do not need to mention amounts.

By signing you confirm that you meet the following criteria:

- You do not have a European Economic Area (EEA) nationality (EEA= EU + Iceland, Liechtenstein, Norway).
Students from Switzerland and Suriname cannot apply for the NL Scholarship as they are eligible for the statutory tuition fee. This also applies to non-EEA students who are eligible for the statutory tuition fee due to certain regulations.
- You do not have a degree from a higher educational institution in the Netherlands.
- At HKU University of the Arts Utrecht you must be in or starting the admission procedure for the HKU Master of Music, Master of Fine Art or Master Scenography.
