

Requirements practical entrance exam Bachelor of Music

Composition

In our Composition course you are trained as composer of autonomous music.

Your own work/ home assignment

After applying in Studielink for the Bachelor of Music, Composition course at HKU Utrecht Conservatorium, you receive instructions via email how to upload the following:

1. Portfolio of your own compositions on sheet music (pdf file)
2. Portfolio of your own compositions as sound file (wav or mp3 file)
3. Motivation letter of maximum one page (pdf file)

Please bring a hard copy of assignment 1 and 3 to the practical entrance examination.

What we look for during the entrance examination:

1. knowledge of music history, with emphasis on the most recent Western notated music.
2. demonstrable talent, creative approach to music. This should be reflected in the scores and an improvisation assignment that you will be asked to perform during the entrance examination.
3. Verbal support of your motivation.

The practical part of your audition will be discussed immediately and you will receive the preliminary results after your exam.
